### **QUALITY ASSURANCE POLICY**

*The Quality Assurance Policy of the School of Law is fully harmonized with the Quality Policy of the National and Kapodistrian University of Athens, making the School of Law fully committed to providing high quality Greek and foreign language higher education to the students who choose it, organizing and implementing Undergraduate, Postgraduate and Doctoral Studies Programmes of high academic standards and significant added value, both in Greek and in English, in the most important areas and fields of the School of Law's competence. In addition, the School of Law seeks to develop a creative environment of research, free scientific expression and work for all its staff and members of the academic community.*

*The School of Law is committed to the implementation of this quality policy, also in the **LL.M. in International and European Law**, which it offers and will offer in the future, implementing the quality procedures provided for by the Foundation's NQF, with the ultimate goal of continuous improvement. This Quality Policy reinforces the academic character and orientation of this postgraduate Programme, promotes its purpose and object, as well as the implementation of specific objectives set for each year, while defining the means and ways of achieving the aforementioned and ensuring the participation of stakeholders in its evaluation and redesign processes.*
